2. Make an investment choice

Please choose your current plan type:

<input type="checkbox"/> Vision Super Saver	<input type="checkbox"/> ASU plan	<input type="checkbox"/> Vision Growth pension
<input type="checkbox"/> Vision Personal plan	<input type="checkbox"/> Vision Term Allocated pension	<input type="checkbox"/> Vision Non-commutable Term Allocated pension
<input type="checkbox"/> Three Bucket pension	<input type="checkbox"/> Vision Super Account Based pension	<input type="checkbox"/> Vision Super Non-commutable Account Based pension

Note: You can choose your investment option (each with their own investment strategy) or mix of investment options from any of Vision Super's investment options. If you are a Three Bucket Pension member and you make an investment selection you will no longer be invested in the Funds premixed retirement strategy – the Three Bucket Pension. Your benefit will be invested as per your selection below.

3. Please invest my account as follows

Account balance: Please indicate below how you would like your account balance invested. Only your account balance at the time of your switch being processed will change. If you do not provide instructions for your future transactions (including contributions), they will continue to be allocated as per your previous future transaction investment choice.

Future transactions: Complete this section if you wish to choose an investment option(s) for your future transactions (including contributions). By only completing this section, transactions (including contributions) made after the effective date of this switch will be affected, however your account balance investment choice(s) will remain unchanged.

If your total does not equal 100% the form will be returned to you for correction and your existing investment choice will continue to apply. Please note: Investing in one or only a few asset classes, particularly those with higher risk, means the chance of a negative return is higher in the shorter-term, even though the chance of a higher return in the long-term may be greater. More information about how we invest your money (including information on all investment options) is set out in our Product Disclosure Statements. You should read the important investment information before making a decision.
