 where “law” means a statute, regulation, proclamation, ordinance, statutory rule or by-law;

- (i) **defined terms:** while for convenience a particular word or group of words defined in this Deed may commence with capital or lower case letters, failure to use capital or lower case letters in that word or group of words elsewhere in this Deed does not of itself mean that

that word or group of words has a meaning different from the meaning given in the relevant definition;

- (j) **form of resolutions:** a written resolution made for the purposes of any provision of this Deed may take the form of one or more documents in like form or to like effect, each signed by one or more persons and, in the case of an oral resolution, a statutory declaration by a person (not necessarily being a party to that resolution) as to that person's presence at the time of the passage of that resolution and the contents of that resolution is acceptable as proof of the passage and contents of that resolution;

- (n) **intention of Deed:** the intention of this Deed (in accordance with section 48 of the Omnibus Act) is that all persons, things and circumstances existing or continuing under the 1988 Act immediately before 1 July 1998 (including benefit accruals and benefit entitlements) shall continue to have the same status, operation and effect under this Deed as they would have had if the 1988 Act had not been repealed.

Part A.2 Compliance with Relevant Law

A.2.1 Overriding effect of this part.

Notwithstanding anything expressed or implied to the contrary in this Deed (including any other provision of this Deed which purports to prevail over this part A.2) -

- (a) if there is a conflict between this part A.2 and any other provision of this Deed, this part A.2 prevails to the extent of the conflict; and
- (b) all other provisions of this Deed are equally subject to this part A.2, notwithstanding that some provisions may expressly refer to this part (or any clause in this part) while others do not.

A.2.2 Mandatory compliance with Relevant Law.

The Trustee has all of the Powers necessary to comply with a Relevant Law and the Trustee must -

- (a) do, or cause to be done, any matter or thing necessary in order to satisfy any applicable requirement of a Relevant Law; and
- (b) refrain from doing, and take all reasonable steps to prevent an Employer, a Member or a Beneficiary doing, any matter or thing which would cause a breach of or non-compliance with any applicable requirement of a Relevant Law,

but the Trustee is not liable for a failure to do so if and to the extent that, under the Relevant Law, the Trustee is relieved from a liability to which the Trustee would otherwise be subject or that might otherwise be imposed on the Trustee under the Relevant Law because of that failure.

A.2.3 Deemed inclusion of certain Relevant Law.

Any provision or requirement of a Relevant Law that is expressly required by a Relevant Law to be included in this Deed in order to comply with or satisfy a Relevant Law is deemed to be included as from the date when it must be included for that purpose (or any earlier date agreed between the Trustee and the Employer) but such a provision ceases to be so included when that express requirement ceases to apply.

A.2.4 Reading down and severance.

- (a) **Read down to avoid invalidity.** If a provision of this Deed is void or voidable or unenforceable or illegal, but would not be void or voidable or unenforceable or illegal if it were read down and it is capable of being read down, it shall be read down accordingly.
- (b) **Severance.** If, notwithstanding clause A.2.4(a), a provision of this Deed is void or voidable or unenforceable or illegal and the provision would not be void or voidable or unenforceable or illegal if a word or words or the whole provision (as the case may be) were omitted, that word or those words or the whole provision (as the case may be) is or are hereby severed and the remainder of this Deed shall have full force and effect.

A.2.5 Certain directions not permitted.

No person is permitted to engage in conduct which, but for this clause A.2.5, would render the Trustee subject, in the exercise of any of the Trustee's Powers under this Deed, to direction by that person in terms of and to an extent not permitted under the Relevant Law (where "engage in conduct" includes refusing or failing to do an act or exercise a Power), and any provision of this Deed which contemplates a person engaging in such conduct must be construed as only permitting that person to engage in such conduct with the approval of the Trustee.

A.2.6 Trustee must consent to certain discretions.

To the extent that the exercise of, or the ability to exercise, a Power under this Deed by a person other than the Trustee without the consent of the Trustee would, but for this clause A.2.6, render a provision of this Deed void or invalid under the Relevant Law, then that other person may only exercise that Power with the consent of the Trustee.

A.2.7 Resolution of relevant doubts, disputes and conflicts.

If a doubt or dispute arises as to the meaning or effect of an applicable requirement of a Relevant Law, or there is a conflict between applicable requirements of Relevant Laws, the Trustee may resolve that doubt, dispute or conflict in the manner the Trustee considers appropriate.

Part A.16A

MySuper Product

A.16A.1 Characteristics of MySuper Products.

The Trustee may issue an interest that is a MySuper Product, and the MySuper Product must have the following characteristics:

- (a) A single diversified investment strategy is to be adopted in relation to the assets of the Fund, to the extent that the assets are attributed to the MySuper Product;
- (b) All MySuper Product Members shall be entitled to access the same options, benefits and facilities;
- (c) Amounts shall be attributed to MySuper Product Members in relation to their interest in the MySuper Product in a way that does not stream gains or losses that relate to any assets of the Fund to only some of those MySuper Product Members, except that if a lifecycle investment strategy is adopted as the single diversified investment strategy for the MySuper Product, then gains or losses from different asset classes of the Fund may be streamed to different subclasses of the MySuper Product Members:
 - (1) on the basis, and only on the basis, of the age of the MySuper Product Members; or
 - (2) on the basis of the age of the MySuper Product Members and other factors prescribed by the Relevant Law; or
 - (3) on the basis of the age of the MySuper Product Members and other factors in circumstances prescribed by the Relevant Law;
- (d) The same process is to be adopted in attributing amounts to MySuper Product Members in relation to their interest in the MySuper Product, except to the extent that a different process is necessary to allow for fee subsidisation by an Employer or Participating Employer;
- (e) Where the Trustee allows fee subsidisation by Employers or Participating Employers, that subsidisation must not favour one MySuper Product Member who is an Employee of a

subsidising Employer or Participating Employer over another MySuper Product Member who is also an Employee of that subsidising Employer or Participating Employer;

- (f) No limit may be imposed on the source or kinds of contributions made by or on behalf of the MySuper Product Members (including any roll-overs or transfers in respect of the MySuper product Members) unless it is a limitation of a prescribed kind or is permitted or required by a Relevant Law;
- (g) The beneficial interest of a MySuper Product Member cannot be replaced with an interest in another MySuper Product within the Fund unless:
 - (1) the MySuper Product Member consents in writing to that replacement no more than 30 days before it occurs; or
 - (2) the MySuper Product Member has died and the interest is replaced with a beneficial interest of another class in the Fund of a kind, and in the circumstances, prescribed by the Relevant Law;
- (h) The beneficial interest of a MySuper Product Member (the old interest) cannot be replaced with a beneficial interest (the new interest) in another superannuation fund or other superannuation entity unless:
 - (1) the replacement is permitted, or is required, under a law of the Commonwealth; or
 - (2) the MySuper Product Member consents in writing to the replacement with the new interest no more than 30 days before it occurs;
- (i) To the extent that assets of the Fund are attributed to beneficial interests in the MySuper Product, a pension is not payable out of those assets by the Trustee of the Fund to a MySuper Product Member upon such member satisfying a condition of release in respect of preserved benefits and restricted non-preserved benefits as prescribed by the Relevant Law, unless the payment relates to a benefit payable under a policy of Insurance where such member has ceased work due to ill-health (whether physical or mental).

A.16A.2 Other beneficial interests

Subject to the Relevant Law, the Trustee may permit a MySuper Product Member to have other beneficial interests in the Fund that are not a MySuper Product.

- (b) **Deemed payment.** Without limiting clause A.19.3(a) an Employer may determine that contributions which would have been paid by an Employed Member but for the exercise of a discretion as provided in clause A.19.3(a) will be deemed to have been paid by the Member for the purpose of calculating the amount of, or determining the eligibility for, payment of any benefit payable pursuant to this Deed the amount of or eligibility for which depends on the amount of the contributions paid by the Member or the period during which the Member has contributed.
- (c) **Notification to Trustee.** The Employer must notify the Trustee of any determination under clause A.19.3(a) or clause A.19.3(b) as soon as practicable.

- (a) terminate all or any of its payments in respect of the Fund; or
- (b) reduce or suspend all or any of its payments in respect of the Fund to the extent specified in that notice and either indefinitely or for the period specified,

If an Employer has given or is deemed to have given a notice pursuant to clause A.21.1 or clause A.21.2 then:

- (a) unless otherwise agreed between the Trustee and the Employer, no contributions will be accepted from a Member, and no Employee will be admitted as a Member, during or in respect of any period when an Employer's payments are or would be terminated in respect of that person pursuant to that notice; and

A.21.5 Adjustment procedures and limits.

An adjusted benefit provided in respect of a person under this part A.21 may be provided in any manner or form, by way of any arrangements and subject to any conditions determined by the Trustee either generally or in any particular case, and is in lieu of and in full satisfaction of any benefit which would or might have been or become payable from the Fund but for this part A.21. Unless otherwise agreed between the Trustee and the Employer, an adjustment made pursuant to clause A.21.3(b) or clause A.21.4 must not increase the amount of any benefit which, in the opinion of the Trustee after obtaining the advice of the Actuary, has accrued in respect of a person immediately prior to the effective date of that adjustment in respect of the period up to that date or improve the basis upon which benefits accrue during or in respect of any period after that date.

General Conditions of Payment of Benefits

A.22.1 Normal amount and circumstances of payment.

Subject to this division A, the amount and circumstances of payment of benefits in respect of a Member at any particular time must be determined in accordance with the relevant division of this Deed.

A.22.2 Payment of benefits.

- (a) **Manner and place of payment.** A benefit payable from the Fund is payable at the place and in the manner (including without limitation payment in specie or in kind, payment by electronic means or by way of instalments) determined by the Trustee and, without limiting clause A.22.5, a person to whom a benefit is payable (whether in that person's own right or for and on behalf of another person) must upon request by the Trustee provide all information and do all acts and things which the Trustee may consider necessary or desirable in effecting payment. The receipt of a Member or Beneficiary for an amount payable to that person is a complete discharge to the Trustee in respect of that amount and the Trustee is not bound to see to the application of that amount.

- (b) **Interest on benefits.** The Trustee will determine the relevant rate of interest for the purposes of the whole or any particular provision of this Deed for all or part of the period between the date the benefit becomes payable out of the Fund until the date it is paid.

A.22.5 Proof of qualification for benefits.

- (a) **Claims and information.** Without limiting part A.2 or clause A.22.3, a person's entitlement to a benefit from the Fund is contingent upon -
- (1) the Trustee being notified of that person's claim or intention to make a claim in respect of that benefit in writing or another manner or form reasonably satisfactory to the Trustee; and
 - (2) the availability to the Trustee or a delegate or nominee of the Trustee of all information, evidence and proofs required by the Trustee, delegate or nominee in order to be fully satisfied as to that person's existence, identity and whereabouts, and that person's entitlement or continued entitlement to receive that benefit.
- (b) **Failure to comply.** Without limiting clause A.22.5(a) or clause A.22.3 -
- (1) the Trustee may suspend consideration of a person's claim to or payment of a benefit until all required information, evidence and proofs become available to the satisfaction of the Trustee; and
 - (2) whether or not any action has been taken to identify, locate, contact or advise a claimant or potential claimant, if no person has notified the Trustee of a claim or intention to make a claim in respect of a particular benefit within 6 months after -
 - (i) in the case of a benefit arising on the death of a Member, the date of death of the Member;
 - (ii) in the case of a benefit arising on the disablement of a Member, the date the Member ceased to be an Employee; or

 that benefit will be transferred to division I until a claim is made, further instructions given or the required proof is received.

A.22.6 Beneficiary under disability.

- (a) **Powers of Trustee.** If it appears to the Trustee that a Beneficiary is under a legal disability or is unable for any reason to satisfactorily deal with an amount otherwise payable to the Beneficiary from the Fund, the Trustee may pay or apply the whole or part of any amount payable to the Beneficiary for or towards the maintenance, education, advancement or otherwise for the benefit of the Beneficiary in any form and manner and subject to any conditions determined by the Trustee, including without limitation by way of payment to a person who, in the opinion of the Trustee -

- (b) **Discharge of Trustee.** The receipt of a person to whom an amount is paid by the Trustee under clause A.22.6(a) is a complete discharge to the Trustee, and the Trustee is not bound to see to the application of that amount. The Trustee is not under a duty to have recourse to this clause A.22.6(b) or to consider whether the Trustee should have recourse to this clause, even if the Trustee has actual notice of a relevant matter.

A.22.7 Provision of benefits at particular ages.

- (a) **Compulsory provision at particular age.** If, in the opinion of the Trustee, a benefit must be paid or commence to be paid from the Fund to or in respect of a Member upon the Member attaining a particular age or upon the occurrence of a particular event or circumstance (notwithstanding that there is no actual termination or interruption of employment) in order to satisfy the Relevant Law:
- (1) the Trustee must pay or commence payment of that benefit subject to such conditions as are necessary to satisfy the Relevant Law; and
 - (2) subject to any contrary agreement between the Trustee and the Employer, for the purposes of determining the amount of or eligibility for payment of any benefit payable pursuant to this Deed in respect of an event or circumstances occurring or arising after the date the benefit is paid or commences to be paid, that Member must be treated for all intents and purposes under this Deed as if that Member had never previously been an Employee or a Member.
- (b) **Voluntary provision at particular age.** If, in the opinion of the Trustee, a benefit may be paid or commence to be paid from the Fund in respect of a Member upon the Member attaining a particular age or upon the occurrence of a particular event or circumstance (notwithstanding that there is no actual termination or interruption of employment) without causing a breach of the Relevant Law:
- (1) in the case of an Employed Member:
 - (i) the Employer and the Trustee may agree that the Trustee may pay or commence payment of that benefit; and
 - (ii) subject to any contrary agreement between the Trustee and the Employer, for the purposes of determining the amount of or eligibility for payment of any benefit payable pursuant to this Deed in respect of an event or circumstance occurring or arising after the date the benefit is paid or commenced to be paid, that Member must be treated for all intents and purposes under this Deed as if that Member had never previously been an Employee or a Member; or
 - (2) in any other case:
 - (i) the Trustee may pay or commence payment of that benefit; and
 - (ii) for the purposes of determining the amount of or eligibility for payment of any benefit payable pursuant to this Deed in respect of an event or

circumstance occurring or arising after the date the benefit is paid or commenced to be paid, that Member must be treated for all intents and purposes under this Deed as if that Member had never previously been a Member.

A.22.8 Minimum benefit.

- (a) Subject to clause A22.8(b), the benefit payable to or in respect of a Member from the Fund shall not be less than the Member's SG Benefit, if any, but before increasing any benefit in order to give effect to this clause A.22.8(a) or in the course of doing so, the Trustee after obtaining the advice of the Actuary may require an undertaking from an Employer that it shall contribute to the Fund such additional amounts or rates of contribution and at such times as the Actuary shall calculate. If any undertaking required by the Trustee as aforesaid is not given or, having been given, is not fulfilled to the Trustee's satisfaction, the Trustee may refuse or cease to give effect to this clause A.22.8(a).
- (b) Clause A22.8(a) does not apply to or in respect of Members of division I.

A.22.9 Payment of death benefits.

- (a) Any benefit payable from the Fund on or after the death of a Member which under this Deed is not expressed to be payable to or for the benefit of some other specified person or persons must be paid or applied by the Trustee in accordance with the provisions of the relevant division.
- (b) The receipt of a person to whom an amount is paid by the Trustee under this Deed is a complete discharge to the Trustee in respect of an amount paid to that person and the Trustee is not bound to see to the application of that amount.

Part A.23 Forfeiture

A.23.1 Conditions on benefit entitlements.

- (a) **Relevant conditions.**
 - (1) Except as permitted, expressly or by necessary implication, under the Relevant Law and without limiting part A.2, no part of a person's interest or entitlement under this Deed is capable of being assigned to, or of becoming mortgaged, charged or otherwise encumbered in favour of, any other person.
 - (2) Subject to part A.2, it is a condition precedent of a person being entitled to a benefit under this Deed that that person is, at all material times, an Entitled Person.
- (b) **Alienation of benefits: protective trust.** If a person is not an Entitled Person by reason of that person falling within paragraph (a) of the definition of Entitled Person in clause A.1.1, the Trustee must hold any benefit to which, but for the operation of this clause A.23.1, that person would be entitled under this Deed upon trust to be paid or applied by the Trustee to or for the benefit of one or more of -
 - (1) that person;
 - (2) that person's Dependents; and

- (3) if that person has died, any other person to whom payment may be made in accordance with the provisions of the relevant division,
- to the exclusion of the other or others of them and in the proportions, manner and form, and subject to the trusts and conditions, determined by the Trustee. Without limiting the preceding words, in the exercise of its discretion under this clause A.23.1 in respect of a person, the Trustee may pay any part of a relevant benefit to another person who in the opinion of the Trustee -
- (4) is a trustee for that person or a trustee for a Dependant of that person, including without limitation a trustee of a separate trust established for this purpose by the Trustee upon the trusts and Powers determined by the Trustee;
- (5) is a representative, Spouse, Child, parent or guardian of (or an executor or administrator of the estate of) that person or of a Dependant of that person; or
- (6) has the custody or care (or the financial expense of the custody or care) of that person or a Dependant of that person.
- (c) **Non-compliance with clause A.22.5(a).** If a person is not an Entitled Person because of that person's failure to comply with clause A.22.5(a) to the Trustee's satisfaction, the Trustee may apply any benefit to which, but for the operation of this clause A.23.1, that person would be entitled under this Deed in any manner which is permissible under the Relevant Law and the Trustee considers appropriate.
- (d) **Discharge of Trustee.** The receipt of a person to whom the Trustee is authorised to pay an amount under this clause A.23.1 is a complete discharge to the Trustee and the fact that a person is not an Entitled Person at the time an amount is paid to that person by the Trustee may not be asserted as a breach of duty by the Trustee and shall not result in any liability for the Trustee.

A.23.2 Consequential adjustments.

Subject to part A.2 -

- (a) the Trustee may adjust the rights, interests and obligations of any person (and of any other person otherwise entitled to claim in respect of that person or on the occurrence of an event or circumstance affecting that person) in the manner and to the extent the Trustee considers appropriate in taking account of clause A.23.1; and
- (b) if, having ceased to be an Entitled Person, a person subsequently becomes an Entitled Person, the Trustee may re-adjust any such right, interest or obligation in the manner, to the extent and on the conditions the Trustee considers appropriate, but the Trustee is not under a duty to apply this paragraph (b), or to consider whether the Trustee should apply this paragraph, even if the Trustee has actual notice of a relevant matter.

Part A.28

Amendment Powers and Procedures

A.28.1 Amendment power.

Subject to clause A.28.3, the Trustee may by deed alter, add to or repeal all or any of the provisions contained in this Deed, including the provisions of this part A.28.

A.28.2 Effective date.

Any alteration, addition or repeal shall come into force on the effective date specified in the deed (whether retrospective or prospective) and if no date is specified, the date of the deed.

A.28.3 No violation of Supervision Act.

No alteration, addition or repeal shall take effect unless the Trustee is satisfied that the Supervision Act is not contravened.

Part A.29

Reserve Account

A.29.1 Establishment.

The Trustee may establish in respect of the Fund in accordance with this part A.29 one or more accounts to be called the Reserve Account.

A.29.2 Credits and debits to Reserve Account.

There will be credited to the Reserve Account:

A.29.3 Application of credit balance in Reserve Account.

- (a) **Payments from Reserve Account.** The Trustee may debit amounts to the Reserve Account for any purpose which the Trustee may consider to be appropriate and in accordance with the Relevant Law, including without limitation in order to:
 - (1) increase a Member's Fund Interest; and
 - (2) pay Tax, Fund Expenses or the costs of Group Life Insurance.
- (b) **Investment fluctuation reserve.** The Trustee may maintain an unallocated credit balance in the Reserve Account for the purpose of reducing fluctuations in the rates of interest allocated to the accounts of the Fund from time to time but the Trustee must ensure that the credit balance at any time does not exceed an amount which would cause the Fund to be in breach of or to fail to comply with an applicable requirement of the Relevant Law.

Part A.30

Special Investments

A.30.1 Special investments.

Subject to this part A.30 and to any conditions imposed by the Trustee either generally or in any particular case -

- (a) **Special portfolios.** The Trustee may establish investment portfolio arrangements for Members on such basis and within such parameters as the Trustee considers appropriate (any distinct portfolio of assets or classes of assets established for this purpose is hereinafter called a "Special Portfolio") and may invite a Member to elect to invest all or part of the Member's accumulation account balance or any other amount in any particular division in one or more Special Portfolios. Without limiting the generality of the foregoing, a Special Portfolio may take the form of an individual policy of life insurance issued in respect of a particular Member which provides for the Member to select among various investment options.
- (b) **Group life options.** The Trustee may establish options in respect of levels of insurance and may invite a Member to elect a particular option.
- (c) **Variation of elections.** At any date or dates determined by the Trustee, the Trustee may allow a Member to revoke or vary any previous Special Portfolio election made by the Member and to make further elections.

A.30.2 Accounting for Special Portfolios.

Where any part of a Member's accumulation account balance is invested in a Special Portfolio as defined in clause A.30.1, in determining how and to what extent the relative investment performance of that Special Portfolio is allocated to the Member's accumulation account balance, the Trustee -

- (a) will have due regard to the extent to which, in the opinion of the Trustee, the Member's accumulation account balance is represented by or is attributable to, on the one hand, investments forming part of a Special Portfolio and, on the other hand, investments not forming part of a Special Portfolio; and
- (b) may allocate that investment performance to the Member's accumulation account balance on such basis as the Trustee may determine either generally or in any particular case,

including without limitation by way of unit price movements or a particular Declared Rate.

A.30.3 Overriding conditions.

- (a) **Maximum limits.** The aggregate amount which may be invested or applied in respect of a Member under clause A.30.1(a) and (b) must not exceed the Member's accumulation account balance.
- (b) **Trustee not bound.** The Trustee is not bound to establish or maintain any particular investment under clauses A.30.1(a) and (b) or to make it available to any particular Member, and the Trustee may vary, discontinue or dispose of any such arrangement or facility, as it considers the circumstances require.
- (c) **Trustee not liable.** The Trustee is not liable or responsible for or in connection with any cost, loss, expense or detriment suffered by any person as result of the exercise, partial exercise or non-exercise of any Power exercisable by the Trustee under this part A.30 including without limitation any detriment suffered as a result of the Trustee failing to act on any election by a Member or any delay by the Trustee in doing so.
- (d) **Apportionment of costs.** The Trustee may apportion the costs of any special investment arrangements established and maintained under this part A.30 between Members' accumulation account balances on such basis as the Trustee determines.

Part A.31 Unitisation

A.31.1 Division into Units.

Pursuant to clause A30.2(b), the Trustee may, if it thinks necessary or desirable, divide any or all of its investment portfolio, including any or all Special Portfolios, into Units and allocate Units to Members' accounts and all other accounts and reserves maintained for the purposes of the Fund, and unitisation will replace the Declared Rate where determined by the Trustee from time to time.

A.31.2 Rules.

The Trustee may adopt rules from time to time in relation to:

- (a) the pricing of Units (including separate "buy" and "sell" prices and the timing and frequency of the pricing);
- (b) switching between Unit Classes;
- (c) the method and frequency of valuing the investment portfolio; and
- (d) any other matters which the Trustee determines to be necessary or appropriate to administer or maintain unitisation.

A.31.3 Unitised accounts.

All Fund Members' accounts and, as determined by the Trustee, other amounts and reserves maintained for the purposes of the Fund, will be recorded in Units of the relevant Unit Classes. Any amount credited or debited to a relevant account or reserve will be converted into Units of the relevant Unit Classes immediately prior to being credited to the account or reserve, having regard to the relevant Unit Price.

A.31.4 Calculation by reference to Unit Price.

Where this Deed refers to the balance, or the amount standing to the credit of an account or reserve maintained for the purposes of the Fund and the relevant account or reserve is unitised, it is taken to be a reference to the account or balance calculated by reference to the number of Units in the account or reserve and the relevant Unit Price (and a reference in this Deed to the crediting or debiting of investment earnings at the Declared Rate (if positive or negative, respectively) shall be a reference to the allocation of the relevant investment earnings by a change in the relevant Unit Price).

A.31.5 Unit Prices.

The Trustee may determine different Unit Prices to apply to a specific Unit Class for different purposes.

A.31.6 Other.

The Trustee may do anything that the Trustee determines is reasonably required to administer and maintain unitisation.

DIVISION D
FORMER MEMBERS OF THE CITY OF MELBOURNE
SUPERANNUATION FUND

Part D.1
Application and Interpretation

D.1.1 Application.

- (a) This division D is always subject to division A of this Deed, and division A prevails over this division D to the extent of any conflict.
- (b) This division D only applies to and in respect of a person who is a member of the Fund who is for the time being categorised as a Member of division D.

D.1.2 Definitions.

In this division D, unless the contrary intention appears or the context requires otherwise:

“Additional Voluntary Contribution Account” means in relation to a Member the account maintained in respect of the Member in accordance with clause D.4.5.

“Annual Pay” means in relation to a Member at any particular date the annual rate of ordinary time earnings for his or her usual job or employment at that date as determined in accordance with the standard procedures laid down from time to time by the Council and approved by the Trustee and suitably endorsed by it or for and on its behalf for the purposes of identifying those standard procedures as being those in force at the relevant date of determination provided that in the event that a Member’s salary or wage is reduced for any reason the Member and the Trustee may agree in writing that the Member’s Annual Pay in force at the date of the reduction shall continue to be the Member’s Annual Pay for the purposes of this division D.

“Associated Employer” means any person which was admitted to participation in the Previous Fund as an Associated Employer and which has not ceased to participate in the Fund and includes any person which replaces or succeeds such an Associated Employer.

“Council” means the Council of the City of Melbourne or any other relevant Employer.

“Date of Disablement” means in relation to a Member who becomes Totally and Permanently Disabled or Temporarily Totally Disabled the later of -

- (a) the date determined by the Trustee to be that on which the Member last ceased to be actively employed by the Employer; or
- (b) the date determined by the Trustee to be that on which the illness or injury which the Trustee, acting on evidence satisfactory to it considers was the primary cause of such disablement, commenced or occurred,

or, in any case, such other date (if any) as the Trustee may expressly declare to be the Member’s Date of Disablement.

“Declared Rate” means such rate of interest (which may be positive or negative) as may be determined in accordance with the applicable requirements of the Relevant Law by the Trustee, after obtaining the advice of the Actuary, in respect of any period for the purposes of the whole or any particular provision of this division D and, without limiting the generality of the foregoing, the Trustee may prospectively determine a Declared Rate on an interim basis in

respect of a particular period and for a particular purpose, and may subsequently and retrospectively determine a Declared Rate on a final or declared basis in respect of that period and for that purpose.

“Final Average Pay” means the average Annual Pay of the Member over the period of one year immediately preceding the earlier of the date on which the Member ceases to be an Employee and the Normal Retirement Date provided that if the period of the Member’s Fund Membership which precedes the earlier of the aforesaid dates is of a duration of less than one year, then the average of the Member’s Annual Pay over the said period of the Member’s Fund Membership shall be used.

“Final Average Indexed Pay” means the Final Average Pay of the Member increased in accordance with movements in the Price Index.

“Fund Membership” means:

- (a) in relation to a Member who is not a Previous Officers’ Fund Member, the most recent uninterrupted period during which the Member has been an Employee (including the period which counted for purposes of the 1988 Fund) and includes in the case of a Member who was formerly covered by the R.A.S. Scheme the most recent period of his or her Service completed prior to 1 July 1986 together with in the case of such a Member who was a Member on 1 July 1986 and whose most recent period during which he or she has been an Employee is at least ten years such further periods prior to 1 July 1986 that would have been taken into account for the purposes of determining his or her benefits under the R.A.S. Scheme had the R.A.S. Scheme continued in force; or
- (b) in relation to a Previous Officers’ Fund Member, the most recent uninterrupted period during which the Member has been an Employee but excluding any such period preceding the date on which the Member last became a member of the Previous Officers’ Fund,

where the relevant period is measured in years with each additional day counting as a fraction of the year.

“Interim Deed” means the Interim Trust Deed by which the Previous Fund was originally established dated 22 May 1986 as amended.

“Member” means a Member of this division D.

“Normal Retirement Date” means the date on which a Member attains the age of 65 years.

“Pre-Retirement Pension Accrued Benefit” means the amount of a Member’s accrued benefit under this division D which (after having first transferred to division I all amounts in any accounts maintained for the Member in the Fund, including an account maintained for purposes of clause D.4.5 and any account under division B) the Member elects to transfer to division I for the purpose of establishing an Account Based Pension (as defined in section 3 of Division I) and which the Trustee approves for that purpose.

“Preserved Benefit” means in relation to a Member the Preserved Benefit specified in whichever of the subsequent parts of this division D is applicable to the Member.

“Previous Fund” means the **City of Melbourne Superannuation Subplan** of the 1988 Fund in effect immediately prior to the repeal of the 1988 Act.

“Previous Officers’ Fund Rules” means the Rules by which the Previous Officers’ Fund was governed immediately prior to 1 July 1986.

“Price Index” means the all groups figure of the consumer price index for the weighted average of the eight capital cities published by the Australian Statistician or, if such index shall cease to be published or in the opinion of the Trustee such Index no longer appropriately reflects general price movements, then such other index reflecting general price movements as the Trustee may from time to time select shall be used in substitution therefor.

“R.A.S. Scheme” means the Retirement Gratuity Scheme operated for certain Employees of the Council prior to 1 July 1986.

“Recognised Scheme” means a scheme or arrangement (excluding the Fund) which has governmental or legislative or trade union support or recognition or which is established or maintained pursuant to or in connection with an industrial agreement or like arrangement or undertaking (whether or not an Employer is a party to such agreement, arrangement or undertaking).

“Retrenchment” means in relation to a Member ceasing to be an Employee in circumstances where the Employer certifies to the Trustee in a form acceptable to the Trustee that -

- (a) the termination was for one or more of the following reasons -
 - (1) that the Member’s employment or position is no longer necessary; or
 - (2) that the work for which the Member was engaged or which was subsequently allotted to the Member is finished or is about to finish (except in the case of the expiration of a contracted period of employment or the completion of a contracted task); or
 - (3) that the quantity of work which the Member is qualified or competent to perform has diminished and has rendered necessary a reduction in the staff of the Employer; and
- (b) the Member was not offered an alternative position with the Employer which the Employer considers to be reasonably comparable (though not necessarily equivalent) to the position which the Member holds at the time retrenchment is contemplated,

and **“Retrenched”** shall have a corresponding meaning provided that an Employee shall in any event be deemed to have been retrenched if in the opinion of the Trustee that Employee voluntarily terminated his or her employment in anticipation of retrenchment.

“Service” means in relation to a Member the continuous period as an Employee with one or more Employers, whether concurrently or successively and, for the purpose of determining the Member’s length of Service, Service means the most recent uninterrupted period during which the Member has been an Employee together with, in the case of a Member who was formerly covered by the R.A.S. Scheme and who was a member of the Previous Fund or a Previous Officers’ Fund Member on 1 July 1986 and whose most recent period during which he or she has been an Employee is at least ten years, such further periods prior to 1 July 1986 that would have been taken into account for the purposes of determining his or her benefits under the R.A.S. Scheme had the R.A.S. Scheme continued in force provided that, unless otherwise determined by the Council with the written approval of the Trustee, employment with an Associated Employer before the date as at which it becomes an Associated Employer shall not count as Service.

“Temporary Total Disablement” in relation to a Member -

- (a) shall have the same meaning as is given to those words or what the Trustee considers to be the corresponding word or words for the purposes of any policy of insurance effected

or acquired by the Trustee pursuant to the Deed and under which insurance is or may become payable in the event of the disablement of any Member or group of Members, and (unless otherwise agreed between the Trustee and the Council in any particular case) any determination by the relevant Insurer as to whether or not a Member is so disabled in terms of such policy shall be final and binding on the Trustee, the Member and all other interested persons for the purposes of the Deed provided that, notwithstanding the provisions of any such policy, a Member shall not be classified as meeting this definition unless the Member has been continually absent from active employment for not less than three months provided further that if there is more than one such policy in force, the Trustee shall determine which of such policies shall apply for this purpose; and

- (b) if at the relevant time there is no such policy in force or in any other circumstances agreed between the Trustee and the Council, Temporary Total Disablement shall mean disablement (not amounting to Total and Permanent Disablement) due to an illness or injury as a result of which -
 - (1) the Member has been continuously absent from active employment for not less than three months; and
 - (2)
 - (i) if the Member has been continuously absent from active employment for less than twenty seven months (or such other period, if any, as may be agreed between the Trustee and the Council from time to time either generally or in any particular case), in the opinion of the Trustee after consideration of information and advice satisfactory to it, the Member is incapacitated to such an extent as to render the Member unable, for the time being, to resume work in the Member's former occupation; or
 - (ii) if the Member has been continuously absent from active employment for a period greater than that provided for in paragraph (i), in the opinion of the Trustee after consideration of information and advice satisfactory to it, the Member is incapacitated to such an extent as to render the Member unable, for the time being, to engage in any Gainful Employment for which the Member is reasonably qualified by education, training or experience,

provided always that, unless otherwise agreed between the Trustee and the Council from time to time either generally or in any particular case, Temporary Total Disablement shall not include disablement arising as a result of an illness or injury which, in the opinion of the Trustee after consideration of information and advice satisfactory to it, has been inflicted, incurred or aggravated for the purpose of obtaining a benefit, and **"Temporarily Totally Disabled"** shall have a corresponding meaning.

"Total and Permanent Disablement" in relation to a Member means disablement due to an illness or injury as a result of which -

- (a) the Member has been continuously absent from employment for a period of at least six months (or such lesser period as the Trustee may determine either generally or in any particular case); and
- (b) in the opinion of the Trustee after consideration of information and advice satisfactory to it, the Member is incapacitated to such an extent as to render the Member unlikely ever to engage or work for reward in any occupation for which the Member is reasonably qualified by education, training or experience,

and **"Totally and Permanently Disabled"** shall have a corresponding meaning provided that, if the Trustee pursuant to the Deed has effected a policy of insurance under which insurance is or may become payable in the event of the disablement of any Member or group of Members and

the circumstances in which the disablement insurance is or would have been payable under any such policy are in the opinion of the Trustee similar to Total and Permanent Disablement defined as aforesaid, then the Trustee may determine that the meaning of Total and Permanent Disablement shall in respect of the Member be modified in the manner and to the extent necessary (as determined by the Trustee) to ensure that the Member shall only be considered to be Totally and Permanently Disabled in the same circumstances as disablement insurance is or would have been payable in respect of any Member under such policy.

Part D.2

Administration and Procedures

D.2.1 Transfer out of Fund while still an Employee.

Notwithstanding clause A.27.2, while a Member is an Employee with the consent of the Member and the Council, the Trustee may pay or transfer to or towards an Approved Benefit Arrangement an amount agreed or determined and in a manner agreed between the Trustee and the Council but not exceeding an amount advised by the Actuary to the Trustee as being the Member's Equitable Share.

D.2.2 Transfer of employment from one Employer to another.

Subject to clause C.6.1, if a Member transfers as an Employee of one Employer under this division D to become an Employee of another Employer under this division D, the Member shall notwithstanding anything expressed or implied to the contrary in this division D remain a member of the Fund and that transfer shall not be deemed to be a cessation of employment or Service for the purposes of this division D. At the discretion of the Council any break in Service which the Council may determine to be trivial shall not be regarded as a cessation of employment or Service but the period of such a break shall not be included as a period of Service or Fund Membership for the purposes of this division D.

D.2.3 Special arrangements.

The Council, after consulting the Actuary and with the agreement of the Employee or Member concerned, may admit an Employee to membership or vary the terms of a Member's membership subject to such special terms and conditions as to benefits, contributions or otherwise as the Council thinks fit. Any such agreement shall be evidenced in writing (in one or more documents) by, and shall be subject to the approval of, the Trustee and each such agreement shall for the purposes of this division D be deemed to form part of this division D.

D.2.4 Temporary cessation of employment and leave without pay.

- (a) If a Member ceases to be an Employee in circumstances in which it is reasonable to expect that cessation will only be of a temporary nature and that the Member will again become an Employee, the Trustee may allow the Member to continue as a member of the Fund subject to such conditions as may be agreed upon by the Trustee, the Member and the Employer.
- (b) If any Member is granted leave of absence without pay by an Employer, the Member shall continue to be a member of the Fund on such conditions as are determined by the Trustee and approved by the Council.

D.2.5 Part-time employment.

Notwithstanding anything expressed or implied to the contrary in this division D, if a Member is or becomes an Employee in a part-time capacity, that Member shall contribute to the Fund for the period that he or she is an Employee in a part-time capacity (subject to the provisions of clause D.3.1) and benefits shall be secured for and in respect of the Member during and in respect of that period on a basis determined by the Trustee after obtaining the advice of the Actuary and the Trustee may in like manner re-determine and adjust that basis in the event that the Member's part-time hours change or the Member becomes an Employee in a full-time capacity.

Part D.3 Member Contributions

D.3.1 Member contributions.

- (a) Subject to the other provisions of this clause D.3.1 each Member shall contribute to the Fund the amounts and in the manner specified in whichever of the subsequent parts of this division D is applicable to that Member.
- (b) A Member shall be deemed to have expressly authorised the Employer to deduct any contributions which the Member is liable to pay pursuant to this clause D.3.1 from the Member's remuneration from that Employer whenever that remuneration is paid. Any amount so deducted by an Employer shall be held by that Employer upon trust for the Fund to be paid to the Fund in the manner and at the times determined by the Trustee.
- (c) Unless otherwise provided in whichever of the subsequent parts of this division D is applicable to the Member, no contributions shall be payable by a Member after the Member ceases to be an Employee or, in any case, after the Normal Retirement Date.
- (d) Subject where applicable to the other provisions of this clause D.3.1, a Member may (with the approval of the Trustee and subject to such special terms and conditions as the Trustee shall think fit to impose) from time to time contribute to the Fund by deduction from remuneration or otherwise, amounts additional to those the Member is making or is required to make pursuant to clause D.3.1(a) and any contributions so made shall be applied for the benefit of the Member pursuant to clause D.4.5.

Part D.4 Benefits

D.4.1 Retirement benefits.

- (a) Unless whichever of the subsequent parts of this division D is applicable to the Member specifies to the contrary, subject to clause D.9.2 and division I, if a Member ceases to be an Employee:
 - (1) on the Normal Retirement Date; or
 - (2) on or after the attainment of the age of 55 years but prior to the Normal Retirement Date,

there shall be paid to the Member from the Fund the lump sum retirement benefit specified in whichever of the subsequent parts of this division D is applicable to the Member.

- (b) If a Member continues as an Employee after the Normal Retirement Date then, subject to clause B.7(a), clause D.9.2 and division I:
 - (1) subject to clause D.4.1(b)(2), upon the Member's subsequent retirement as an Employee there shall be paid to the Member from the Fund the lump sum retirement benefit which would have been payable pursuant to clause D.4.1(a) if the Member had retired on the Normal Retirement Date together with interest thereon for the period from the Normal Retirement Date to the Member's actual date of retirement at the Declared Rate; and
 - (2) subject to the Relevant Law (and notwithstanding clause A.22.7(b)), if:
 - (i) the Member has attained the Normal Retirement Date and would be entitled to a benefit under clause D.4.1(a) if the Member had ceased to be an Employee,
 then:
 - (ii) that Member may elect to receive a lump sum retirement benefit from the Fund calculated under clause D.4.1(a) (notwithstanding that the Member remains an Employee) together with interest thereon for the period from the Normal Retirement Date to the date of payment at the Declared Rate; and
 - (iii) for purposes of determining the amount of or eligibility for payment of a benefit under this division D in respect of an event or circumstance occurring or arising after the date the benefit is paid pursuant to this clause D.4.1(b)(2), the Member will be treated as if he or she had never previously been an Employee or a Member.

D.4.2 Death benefits.

- (a) Upon the death of a Member while an Employee prior to the Normal Retirement Date, there shall be payable from the Fund in accordance with and subject to the provisions of clause D.4.7 the lump sum benefit specified in whichever of the subsequent parts of this division D is applicable to the Member.
- (b) Upon the death of a Member while an Employee on or after the Normal Retirement Date, there shall be payable in accordance with and subject to clause D.4.7 the lump sum benefit which would have been payable pursuant to the relevant provisions of clause D.4.1(a) or D.4.1(b) if the Member had retired as an Employee on the date of the Member's death.
- (c) Upon the death of a Member in respect of whom there has been secured a Preserved Benefit under the Fund there shall be payable from the Fund in accordance with and subject to clause D.4.7 and clause D.9.2 the lump sum benefit specified in whichever of the subsequent parts of this division D is applicable to the Member.

D.4.3 Total and Permanent Disablement benefits.

- (a) Subject to division I, upon a Member ceasing to be an Employee before the Normal Retirement Date as a result of the Member becoming Totally and Permanently Disabled,

there shall be paid to the Member from the Fund the lump sum benefit specified in whichever of the subsequent parts of this division D is applicable to the Member.

- (b) Subject to division I, if a Member in respect of whom there has been secured a Preserved Benefit under the Fund retires from regular employment before attaining the age of 55 years in circumstances which in the opinion of the Trustee would have constituted Total and Permanent Disablement if the Member had been an Employee, there shall be paid to the Member from the Fund the lump sum benefit specified in whichever of the subsequent parts of this division D is applicable to the Member.

D.4.4 Benefits on leaving employment.

Subject to division I, upon a Member ceasing to be an Employee before the Normal Retirement Date otherwise than as provided in clause D.4.1, D.4.2 or D.4.3, there shall be paid to that Member from or secured in respect of that Member under the Fund the benefits specified in whichever of the subsequent parts of this division D is applicable to the Member.

D.4.5 Additional benefits for additional voluntary contributions.

- (a) Subject to division I, upon a Member ceasing to be an Employee for any reason including death or Total and Permanent Disablement, there shall be paid to or in respect of the Member in addition to any other benefits to which the Member is entitled under this division D, a lump sum benefit equal to the balance of the Additional Voluntary Contribution Account.
- (b) The Trustee must cause to be maintained in respect of each Member who makes contributions pursuant to clause D.3.1(d) an account to be called the Additional Voluntary Contribution Account.
- (c) There shall be credited to a Member's Additional Voluntary Contribution Account -
 - (1) the contributions made by or in respect of the Member under clause D.3.1(d);
 - (2) the contributions made by or in respect of the Member under clause 1.26(6) of the Previous Fund;
 - (3) interest at the Declared Rate (if positive);
 - (4) any amounts the Trustee may determine to credit to the Additional Voluntary Contribution Account because of a valid contributions splitting arrangement; and
 - (5) any other amounts which this Deed may require to be credited to the Additional Voluntary Contribution Account or which the Trustee determines to credit to the Additional Voluntary Contribution Account,

and there shall be debited to the Member's Additional Voluntary Contribution Account -

- (6) any amounts transferred in respect of the Member to an Approved Benefit Arrangement in accordance with this Deed and which the Trustee determines to debit to the Additional Voluntary Contribution Account;
- (7) any amounts transferred to another division of this Deed;
- (8) any benefit attributable to the Additional Voluntary Contribution Account;
- (9) any amounts which the Trustee may determine to debit in respect of Tax, Fund Expenses and insurance;
- (10) interest at the Declared Rate (if negative);

- (11) any amounts the Trustee may determine to debit to the Additional Voluntary Contribution Account because of a valid contributions splitting arrangement; and
- (12) any other amounts which this Deed may require to be debited to the Additional Voluntary Contribution Account or which the Trustee determines to debit to the Additional Voluntary Contribution Account.

D.4.6 Alternative forms of benefits.

- (a) Subject to part D.7 a person who is entitled to receive a lump sum benefit pursuant to any provision of this division D may apply to the Trustee to exchange all or any part of such lump sum benefit for a pension benefit payable to such persons as the Trustee shall approve and, if such application is approved, shall either -
 - (1) pay such pension benefit direct from the Fund the amount of which and the terms and conditions of which shall be determined by the Trustee after obtaining the advice of the Actuary; or
 - (2) arrange for the provision of such pension benefit by applying the aforesaid lump sum benefit in purchasing from an Insurer or from such other organisation as the Trustee shall decide an annuity policy or contract providing for payment of an annuity on such terms and conditions as are approved by the Trustee and after application of the lump sum benefit or part thereof as aforesaid neither the person entitled thereto nor any other person claiming through or under the first mentioned person shall have any further claim on the Fund or the Trustee or any Employer in respect thereof.
- (b) If in accordance with the terms and conditions applicable to any such pension benefit payable from the Fund pursuant to clause D.4.6(a)(1) an amount is payable after the death of any person such amount shall be payable by the Trustee subject to and in accordance with clause D.4.7 unless the terms and conditions on which that benefit was granted provide otherwise.
- (c) A person in receipt of a pension under this division D may apply to the Trustee to commute all or any part of that pension for a lump sum benefit and if the Trustee approves that application (and it is confirmed that the Trustee is empowered to reject in total or in part such application without giving any reason therefor), that person shall be paid a lump sum benefit in exchange for the amount of the pension so commuted. The amount of any such lump sum benefit shall be determined by the Trustee after consulting the Actuary.
- (d) Notwithstanding the provisions of clause D.4.6(c), the commutation of any pension payable shall be made in accordance with any applicable requirement of a Relevant Law and the Trustee may take such action as it sees fit to ensure compliance including, without limitation, adjusting the amounts or terms of payment of benefits in such manner, to such extent and by way of such arrangements as the Trustee considers appropriate and any decision by the Trustee for the purposes of this clause D.4.6 shall be final and binding on all interested persons.
- (e) Subject to the Trustee's absolute discretion, all pensions payable under this division D shall be paid in accordance with the provisions of the Relevant Law concerning the payment of "pensions" as defined in the Supervision Act.

D.4.7 Payment of lump sum death benefits.

- (a) Lump sum benefits payable on the death of a Member while an Employee shall be applied by the Trustee to or for the benefit of such one or more of -
 - (1) the Member's Dependants; and
 - (2) the Member's legal personal representatives,
 to the exclusion of the other or others of them and in such form, manner, proportions and subject to such conditions as the Trustee determines.
- (b) The receipt of a Dependant or legal personal representative ("**Beneficiary**" for purposes of this clause D.4.7) shall be a complete discharge to the Trustee in respect of the amount paid to that person and the Trustee is not bound to see to the application thereof.
- (c) Without prejudice to the foregoing, if a Beneficiary dies before the whole of a benefit which is payable to that Beneficiary has been paid, the amount of the unpaid benefit shall be paid or applied in accordance with clause D.4.7(a) as if the Beneficiary was a Member at the date of death.

D.4.8 Augmentation of benefits.

The Council may direct the Trustee to augment the amount of any benefit otherwise payable or to be provided under this division D and the Council may direct the Trustee to rescind or discontinue all or any part of such augmentation. The Trustee shall act on such a direction provided that, before augmenting any benefit pursuant to such a direction, the Trustee may require an undertaking from an Employer that it shall contribute to the Fund such additional amounts or rates of contribution and at such times as the Trustee (after consulting the Actuary) shall determine. If any undertaking required by the Trustee as aforesaid is not given or, having been given is not fulfilled to the Trustee's satisfaction, the Trustee may refuse to proceed with or discontinue the augmentation to which the undertaking relates.

D.4.9 Recognised Schemes.

- (a) If during the continuance of the Fund any Recognised Scheme which provides any benefit which is similar in kind, effect or intent to a benefit provided by the Fund for (inter alia) Members or their Dependants is introduced or improved (and in this regard a Recognised Scheme in existence prior to the establishment of the Previous Fund shall be deemed to be improved if during the continuance of the Fund any Employer commences contributing towards that Recognised Scheme) and if any Employer pays either directly or indirectly any portion of the contributions, premiums or other costs of such Recognised Scheme or improvement, the Council may not more than 12 months after the date of such introduction or improvement give written notice to the Trustee of its intention from a date on or not more than 12 months after the date of such introduction or improvement to reduce the benefits provided by the Fund for all or any of the Members or their Dependants to an extent not exceeding the extent of the benefits provided for such Members or their Dependants under the Recognised Scheme pursuant to such introduction or improvement provided that, if the benefits provided under the Fund are of a different form or nature from the benefits provided under the Recognised Scheme, the maximum extent to which the benefits provided under the Fund may be reduced by the Council pursuant to this clause D.4.9 shall be determined by the Actuary. Such determination shall be communicated by the Actuary to the Council and the Trustee in writing.

- (b) In the event of a reduction in the benefits provided by the Fund pursuant to clause D.4.9(a), any Members obliged to contribute to such Recognised Scheme shall be relieved of their obligation to contribute to the Fund to the extent (if any) determined by the Actuary not exceeding the extent of the contributions or additional contributions which they are required to pay under the Recognised Scheme pursuant to the introduction or improvement in respect of which benefits have been reduced. Any such determination shall be communicated by the Actuary to the Council and the Trustee in writing and Members shall be advised by the Trustee of the extent of the relief granted to them.
- (c) Any such reduction in benefits and contributions shall be evidenced by a deed or other written instrument executed or made by the Trustee with the consent of the Council altering, varying or making additions to or deletions from this division D for the time being in force. - (3) any reward due to the Member in respect of any work carried out by the Member (whether for the Employer or otherwise) while the Member is entitled to receive the income benefit,

provided that, if such a compensation benefit or any such reward is payable in a different manner or form to the income benefit, the income benefit shall be reduced on the basis determined by the Trustee after obtaining the advice of the Actuary.

(c) The income benefit shall be payable by monthly instalments. The income benefit shall commence to be payable on the date as at which the Member is determined to have become Temporarily Totally Disabled (the “admission date”), with the first instalment falling due on the first day of the month coincident with or next following the admission date. Unless a later cessation date is agreed between the Trustee and the Council, the income benefit shall cease to be payable on the date (the “cessation date”) which is the earliest to occur of the following -

- (g) For the purposes of the whole or any particular provision of this division D, in the case of a Member who is entitled to receive an income benefit under this clause D.5.7 -

- (h) If during payment of the income benefit the Trustee determines that a payment under this clause D.5.7(h) is appropriate and that to make such a payment would not, in the opinion of the Trustee, cause the Fund to be in breach of or to fail to comply with any applicable requirement under the Relevant Law, the Trustee with the approval of the Council may pay or apply from the Fund for or in respect of the Member an amount or amounts not exceeding in the aggregate -

- (1) the minimum lump sum benefit (if any) which would have been payable from the Fund if the Member had voluntarily ceased to be an Employee in good health and without the consent or approval of the Employer on the date of such payment from the Fund; or
- (2) such greater amount (if any) as the Council may determine but not exceeding the amount determined by the Trustee (after obtaining the advice of the Actuary) to be the Member's Equitable Share,

provided that, unless otherwise agreed between the Trustee and the Council, any benefit which later becomes payable from the Fund in respect of the Member (other than the income benefit) shall be adjusted in such manner and to such extent as the Trustee, after obtaining the advice of the Actuary, considers appropriate and equitable to take account of any payments made pursuant to this clause D.5.7(h).

- (i) If the Trustee effects or seeks to effect insurance with an Insurer in respect of any income benefit which might become payable from the Fund pursuant to this clause D.5.7 in respect of a person or group of persons and -

- (1) that Insurer refuses to provide or increase insurance in respect of a person on its standard terms: or
- (2) that Insurer for any reason whatever fails to provide, increase or maintain or reduces, terminates or withholds insurance or does not admit or defers the whole or part of a claim,

then, unless otherwise agreed between the Trustee and the Council, the benefits in respect of which insurance has been or would have otherwise been effected shall be reduced to the extent to which insurance has not been effected on standard terms or has otherwise not been obtained, increased or maintained or has been reduced, terminated or withheld or such a claim has been deferred or not admitted, and the Trustee may adjust any affected benefit in such manner as the Trustee, after obtaining the advice of the Actuary, considers appropriate in effecting such a reduction.
